Visit YCH Law Chan Chor Si Primary School (Ecological Zoo)

Activity Goal

1. Learn the names and habits of animals
2. Learn the skills of caring for animals
3. Cultivate the sentiment of appreciating and caring for the Ecological Zoo

Activity Introduction

Children learn the names and habits of animals by visiting the Ecological Zoo. The director of the park will personally introduce the skills involved in caring for animals, including "pulling radishes", feeding turtles, and observing fish and lizards. Children can greatly benefit from this activity, enriching their experience of nature, and cultivating a sense of appreciation and care for the Ecological Zoo.
