Visit Life Garden

Activity Goal

1. Understanding agricultural farming
2. Learning basic farming skills such as weeding, loosening the soil, sowing, and watering
3. Cultivate good character in children, such as appreciating the value of food

Activity Introduction

Through visiting the Life Garden activity, children experience the joy of becoming little green farmers. In this process, they learn basic farming tasks such as weeding, loosening soil, sowing seeds, and watering, which helps cultivate positive traits like love, focus, and appreciation. They also enjoy the experience of harvesting fresh vegetables, collectively feeling the wonders of nature.
