Understanding the Origin of the Twelve Chinese Zodiac Signs

Activity Goal

- Help children learn the names, characteristics, and stories of the twelve zodiac signs.
- Cultivate children's observation skills and imagination.
- Strengthen their sense of identity with traditional Chinese culture.

Activity Introduction

Let children learn about the origin of the twelve zodiac signs through the picture book "The Story of the Twelve Zodiac Signs". Using zodiac matching cards will increase interactivity. Each child can design their own zodiac sign. Once completed, they can share their work, choose their favorite zodiac sign, and discuss their understanding and preferences regarding it. Additionally, children can imitate the movements and sounds of each zodiac sign to enhance their learning experience.
