Event Name

Design Activities --- Chinese Culture Exhibition

Activity Goal

1. Understand Chinese traditional culture and art (paper-cut, ink painting, blue and white porcelain)
2. Enhance children's understanding of Chinese culture
3. Familiar with China's scenic spots
4. Recognize that Chinese characters evolved from pictographs

Activity Introduction

The teachers and the children narrated Qingtian's full-language books "Scenic Spots of the Motherland" and "National Dances Are Beautiful" about China's scenic spots and different ethnic groups, and then guided the children to collect the relevant information together. Teachers asked the children to share the information at school. They have organized the "Themes of Chinese Culture" related to children's development, developed related activities according to their interests, invited parents to participate in the sharing meeting after completion, and promoted the Chinese culture and art to the parents.
