Know about the Mid-Autumn Festival

Activity Goal

1. Learn about Mid-Autumn Festival foods (moon cakes, water chestnuts)
2. Improve children's understanding of traditional Mid-Autumn Festival foods
3. Learn about Mid-Autumn Festival traditions
4. Understand the origin of the Mid-Autumn Festival

Activity Introduction

The teacher used the song 《中秋歌》 as an introduction to the Mid-Autumn Festival for children as a traditional Chinese festival and the customs of the Mid-Autumn Festival. Then they made handicrafts and Mid-Autumn Festival lanterns with the children, allowing the children to understand that the rabbit is the representative character of the Mid-Autumn Festival. On the day of the Mid-Autumn Festival, the teacher continued to introduce the representative foods of the Mid-Autumn Festival to the children, such as moon cakes and fruits. And introduce the traditional story of the Mid-Autumn Festival to children, Chang'e flying to the moon, so that children can understand the origin of the Mid-Autumn Festival.
