Chinese Cultural Activity - Shadow Puppetry

Activity Goal

1. Initial exposure to shadow puppetry
2. Enhance children's understanding of Chinese traditional activities
3. Enjoy the fun of working collaboratively with peers to put on a performance

Activity Introduction

The teachers and children at the school learnt about shadow puppetry through videos and hands-on manipulation of paper puppets. The children can learn the concept of light and shadow, and also experience the joy of traditional Chinese cultural activities. Through the shadow puppetry activity, the children can cultivate cooperation and coordination with their peers, as well as learn to deliver lines.
