

Kindergarten Education Plan

School Based Learning Activities on Chinese Culture

Display Table

Little Newton Anglo-Chinese Kindergarten

School Name

2022-2023

Year

N1-K3

grade

Event name

Mid-Autumn Festival Traditional Chinese Costume Lantern Festival and Parent-Child Lantern-Making Competition

Activity goal

- Learn about the culture of the Mid-Autumn Festival.
- Learn about the history and cultural background of traditional Chinese costumes.
- Through activities such as lantern-making and wearing traditional Chinese costumes, allow young children to experience the beauty and diversity of Chinese culture.
- Promote the value of traditional cultural festivals.
- Enhance the relationship and interaction between parents and children.

Activity introduction

- Use storytelling, video presentations, lantern-making, displays of traditional Mid-Autumn Festival fruits and foods, and traditional Chinese clothing to help children understand the culture of the Mid-Autumn Festival, and engage them in lantern-making and traditional clothing activities.
- Encourage parent-child cooperation in designing lanterns to enhance their relationship and interaction, while also allowing participants to learn about traditional cultural festivals and experience the joy of handicrafts.
