

# Chinese Culture School-Based Learning Activity

**Little Newton Anglo-Chinese Kindergarten**

**School Name**

2022-2023

**School Year**

All grades

**Grade**

**Name of Activity**

Summer Fun Day

**Activity Objectives:**

- Learn about Chinese zodiac animals
- Recognize that China's national animal is the Giant Panda
- Enhance children's sense of belonging to school

**Activity Introduction:**

The theme of the open day was the animals of the Chinese zodiac. Some booth games incorporate elements of the animals of the Chinese zodiac. For example, the national animal the Giant Panda was added to the water game. In the physical game, the teacher added "rooster" and "dog" from the Chinese zodiac. During the English and Putonghua music games, the teacher briefly introduced the stories about the Chinese zodiac to the children, so that the younger children could get acquainted with the animals and stories of the Chinese zodiac.
