Activity Introduction

To build safety awareness among K1 children during the Ching Ming Festival, the teacher first displayed relevant festival pictures to guide the children to intuitively feel the festive atmosphere. Subsequently, the teacher shared the picture book story “The Ching Ming Festival” to introduce the origins and customs of the festival in a simple and easy-to-understand manner. The story covered traditions such as tomb-sweeping and spring outings, helping the children understand the meaning of this festival. During the activity, the teacher specially integrated safety education, reminding the children to stay mindful of their surroundings during outdoor activities.
