Activity Goal

1. To understand Chinese culture and enhance cultural identity.
2. To build awareness of safety rules and proper behaviour.
3. To foster teamwork and participation in good daily habits.

Activity Introduction

Through lion dance performances, story sharing, and simple activities, children learned about the features of Chinese culture and developed an interest in and pride for local traditions. During activities such as participating in (or watching) lion dance performances and doing a big cleaning day, children learned basic safety rules, such as lining up, keeping a safe distance, and using tools properly, to ensure their physical and mental well-being. Through lion dance and big cleaning activities, children worked with their peers, practised good manners and staying orderly, kept clean and tidy, actively participated, and built a positive attitude towards daily life.
