Festive Warmth for the Community

Activity Goal

1. To understand the traditional Chinese values of filial piety (respecting elders) and benevolence towards the community
2. To practice traditional festive etiquette (such as Chinese New Year greetings and gestures) and interpersonal communication skills
3. To cultivate the traditional virtues of benevolence and generosity through the joy of sharing with others

Activity Introduction

Combining Lunar New Year with community care, this activity invites K2 and K3 children to become 'Little New Year Ambassadors.' Guided by their teachers, the children will hand-assemble festive gift bags filled with auspicious wishes. They will then step into the community to deliver these blessings directly to elderly residents and neighbours. Through the ritual of traditional New Year etiquette, this initiative allows children to put the virtues of benevolence (*Ren*) and respect for elders into practice, bringing warmth and joy to the neighborhood!
