Chinese Culture Day: The Three Character Classic (San Zi Jing)

Activity Goal

1. Children can recognize and fluently recite the designated verses of the Three Character Classic (San Zi Jing).
2. Children can appreciate the rhythmic beauty of the text, characterized by its three-character structure, rhyming, and antithesis.
3. To foster children's enlightenment and early appreciation of traditional Chinese culture.

Activity Introduction

In this *Three Character Classic* recitation activity, our teachers carefully selected distinct verses tailored to the unique age characteristics and developmental abilities of K1 to K3 children. By guiding the students through recitation, deep comprehension, and stage performances, this experience not only enables them to learn and show peer appreciation but also subtly deepens their connection to Chinese culture and moral values.
