Chinese Cultural Activity: Putonghua Tang Poems Recitation Competition for Children

Activity Goal

1. To enhance children's Putonghua pronunciation accuracy and oral expression skills through the recitation of Tang poems.
2. To guide children to appreciate the rhythm and phonological beauty of Tang poetry, laying a foundation for early enlightenment in traditional culture.
3. To provide opportunities for public speaking, encouraging children to express themselves boldly while building self-confidence and physical coordination.

Activity Introduction

To promote traditional culture, our school invited some K2 and K3 students to the "Putonghua Tang Poetry Recitation Competition for Children," organized by the Endeavour Education Centre. Several students successfully advanced to the finals and won outstanding awards. This event not only immersed children in the rhythmic beauty of Tang poems and sparked their cultural interest, but also improved their physical coordination through stage practice—ultimately boosting their self-confidence and nurturing both mind and body.
